(Jointly Administered)

SECOND SUPPLEMENTAL DECLARATION OF DMITRY KRIVIN, A PARTNER OF MCKINSEY & COMPANY, INC. UNITED STATES, DISCLOSING CONNECTIONS TO MATERIAL INTERESTED PARTIES IN CONNECTION WITH THE PUERTO RICO RECOVERY ACCURACY IN DISCLOSURES ACT

- I, Dmitry Krivin, declare as follows:
- 1. I am employed as a partner at McKinsey & Company, Inc. United States ("McKinsey US") with an office at 175 Greenwich Street, New York City, NY, 10007.

The Debtors in these Title III Cases, along with each Debtor's respective Title III case number and the last four (4) digits of each Debtor's federal tax identification number, as applicable, are the (i) Commonwealth of Puerto Rico (Bankruptcy Case No. 17-BK-3283- LTS) (Last Four Digits of Federal Tax ID: 3481); (ii) Puerto Rico Sales Tax Financing Corporation ("COFINA") (Bankruptcy Case No. 17-BK-3284-LTS) (Last Four Digits of Federal Tax ID: 8474); (iii) Puerto Rico Highways and Transportation Authority ("HTA") (Bankruptcy Case No. 17-BK-3567-LTS) (Last Four Digits of Federal Tax ID: 3808); (iv) Employees Retirement System of the Government of the Commonwealth of Puerto Rico ("ERS") (Bankruptcy Case No. 17-BK-3566-LTS) (Last Four Digits of Federal Tax ID: 9686); (v) Puerto Rico Electric Power Authority ("PREPA") (Bankruptcy Case No. 17-BK-4780-LTS) (Last Four Digits of Federal Tax ID: 3747); and (vi) Puerto Rico Public Buildings Authority ("PBA") (Bankruptcy Case No. 19-BK-5523-LTS) (Last Four Digits of Federal Tax ID: 3801) (Title III case numbers are listed as Bankruptcy Case numbers due to software limitations).

McKinsey & Company, Inc. ("McKinsey & Co.") is the ultimate parent company of McKinsey US, McKinsey & Company Puerto Rico Consulting, Inc. ("McKinsey Puerto Rico") and its affiliates (collectively, "McKinsey").<sup>2</sup> I am duly authorized to make this supplemental declaration (the "Second Supplemental Declaration"), which is being submitted to supplement my initial declaration filed on May 16, 2022 [Docket No. 20832] (the "Initial Declaration")<sup>3</sup> and my supplemental declaration filed on October 28, 2022 [Docket No. 22756] (the "First Supplemental Declaration", and, together with the Initial Declaration, the "Prior Declarations") on behalf of the Proposed Professionals (as defined below) in connection with PRRADA (as defined below) and the Independent Contractor Services Agreement, effective as of July 1, 2022 (the "Current Contract"), between the Financial Oversight and Management Board for Puerto Rico (the "FOMB") and McKinsey Puerto Rico in connection with work for the Debtors related to the proceedings under Title III of the *Puerto Rico Oversight, Management, and Economic Stability Act* ("PROMESA" and such proceedings, the "PROMESA Proceedings").

- 2. I have been employed by McKinsey US since 2006, and I am a partner in the Risk practice. I serve clients on coordinating and executing supervisory remediation programs, setting up operational risk and compliance programs, and developing operational and risk processes to meet regulatory requirements and enforcement actions.
- 3. Except as otherwise noted, the statements set forth herein are based on knowledge I have from my employment position and diligence undertaken by me or professionals reporting to me and, if called and sworn as a witness, I would testify competently thereto.

The term "McKinsey" does not include investment affiliate MIO Partners, Inc. ("MIO") and its affiliated investment and advisory services related entities or their employees.

The Initial Declaration was re-filed on May 24, 2022 in text-searchable format [Docket No. 20989].

4. In addition to this Declaration, McKinsey Puerto Rico and its affiliates are also filing the Supplemental Declaration of Joshua Dennis, a Partner of StoneTurn Group, LLP, in Connection with the Puerto Rico Recovery Accuracy in Disclosures Act (the "Supplemental StoneTurn Declaration").

# **Disclosure Regarding Connections of McKinsey**

### **Engagement Team**

- 5. As used in this Declaration, the term "Engagement Team" means the McKinsey consultants who comprise the working group that is directly providing services to the FOMB under the Contracts (as defined in the First Supplemental Declaration) and the Current Contract.<sup>4</sup> This included all McKinsey consulting professionals that billed time to providing services to the FOMB. While the Contracts are between the FOMB and McKinsey Puerto Rico, as is customary, McKinsey Puerto Rico utilizes certain consultants employed by its consulting affiliates (in this case, the other Proposed Professionals) in providing consulting services to the FOMB.
- 6. I led a working group of McKinsey professionals (the "Working Group")<sup>5</sup> who determined which McKinsey employees would be part of the Engagement Team by asking McKinsey's finance department to identify all consulting personnel who charged time to the FOMB project number during the Consolidated Look-Back Period. The McKinsey entities that employ or employed the members of the Engagement Team, based on the finance department's

Although the Protocol (as defined below) contemplates excluding personnel that only episodically provide such services, personnel serving the Debtors were not excluded from the definition of the Engagement Team on this basis. See First Supplemental Declaration, Ex. A, Defined Terms (defining "Proposed Professional Personnel" as the "primary working group within a Proposed Professional entity that directly provides the services for which the Proposed Professional is retained in the particular bankruptcy case, and excludes personnel that only episodically provide such services").

The Working Group that assisted with preparing the disclosures contained in this Declaration consisted of a core team of myself, Brandon Suber, Meghan Suffield, Giorgi Suladze, and Ayush Madan.

("McKinsey Colombia"); McKinsey & Company, Inc. France ("McKinsey France"); McKinsey & Company, Inc. Israel ("McKinsey Israel"); McKinsey & Company LME Limited ("McKinsey LME"); McKinsey & Company, Inc. Mexico, S.C. ("McKinsey Mexico"); McKinsey & Company, Inc. ("McKinsey Poland"); McKinsey Knowledge Centre India Private Limited ("McKinsey Knowledge Centre"); McKinsey Global Services India Private Limited ("McKinsey Global Services"); and McKinsey Recovery and Transformation Services U.S., LLC ("RTS" and, collectively, the "Proposed Professionals").

7. The Working Group used the same process described in the Prior Declarations to determine whether any McKinsey employees had been added to the Engagement Team since the preparation of my First Supplemental Declaration and to further determine whether any such

additional employees resulted in any new Proposed Professionals. Any additional Engagement Team members identified were employees of one of the Proposed Professionals previously identified in my Prior Declarations. Such additional Engagement Team members were included in the connection checking process described herein.

### **Client Connections**

- 8. As described in more detail in the Prior Declarations, the Working Group undertook a comprehensive process to determine whether McKinsey had any connections or other relationships that might cause them to hold or represent an interest adverse to the Debtors. Specifically, the Current Contract requires McKinsey to make certain conflict of interest certifications with respect to a list of interested parties attached to each Contract, which list is updated semiannually by the FOMB. On March 15, 2023, after the filing of the Prior Declarations, the FOMB provided the Proposed Professionals with an updated list of interested parties (the "Updated Contractual IPL"). Parties listed on the list of material interested parties approved by the Court on March 29, 2022 (the "MIPL", and such material interested parties, the "Material Interested Parties") and on the Updated Contractual IPL (as defined in the First Supplemental Declaration) provided to the Proposed Professionals on May 16, 2022 were also included on the new Updated Contractual IPL. The list of parties on the new Updated Contractual IPL, but not on the MIPL or the Updated Contractual IPL (as defined in the First Supplemental Declaration), comprise the "Supplemental IPL" and are listed on Schedule 1 attached hereto.
- 9. The Working Group used the same process described in the Prior Declarations to expand the parties listed on the Supplemental IPL to include all corporate affiliates<sup>6</sup> that shared a

As noted in the Prior Declarations, affiliate relationships were deemed to exist where a parent company owned 20% or more of the equity of a subsidiary, analogous to the definition of a debtor affiliate in section 101(2)

common parent with each new corporate party listed on the Supplemental IPL (such expanded list, the "Supplemental Expanded IPL"; the people and entities listed on the Supplemental Expanded IPL are the "Supplemental Interested Parties"). The Supplemental Interested Parties were then added to the Expanded MIPL (as defined in the First Supplemental Declaration) to create the "Consolidated Expanded MIPL." In sum, the Consolidated Expanded MIPL included 1028 new unique parties (i.e., the Supplemental Interested Parties and their affiliates).<sup>7</sup>

- 10. The Working Group also used the same process described in the Prior Declarations to compile an updated client list, using a "Supplemental Look-Back Period" starting on March 1, 2022 and ending on March 31, 2023 (the "Supplemental Client List"). The Supplemental Client List was added to the Consolidated Client List (as defined in the First Supplemental Declaration) to create a new "Consolidated Client List." The combined period from November 27, 2014, through March 31, 2023, is the "Consolidated Look-Back Period."
- 11. The Working Group then used the same process described in the Prior Declarations to check the names on the Consolidated Client List against the Consolidated Expanded MIPL, and the scope of the check was intentionally broad and inclusive. This search

of the Bankruptcy Code. The Bankruptcy Code states that the term "affiliate" means "(A) entity that directly or indirectly owns, controls, or holds with power to vote, 20 percent or more of the outstanding voting securities of the debtor, other than an entity that holds such securities— (i) in a fiduciary or agency capacity without sole discretionary power to vote such securities; or (ii) solely to secure a debt, if such entity has not in fact exercised such power to vote; (B) corporation 20 percent or more of whose outstanding voting securities are directly or indirectly owned, controlled, or held with power to vote, by the debtor, or by an entity that directly or indirectly owns, controls, or holds with power to vote, 20 percent or more of the outstanding voting securities of the debtor, other than an entity that holds such securities—(i) in a fiduciary or agency capacity without sole discretionary power to vote such securities; or (ii) solely to secure a debt, if such entity has not in fact exercised such power to vote . . . ." 11 U.S.C. § 101(2).

Where Capital IQ's data indicated a corporate parent or subsidiary relationship existed but did not provide information sufficient to determine whether the applicable parent company owned 20% or more of the equity of a subsidiary, the entity was assumed to be above the ownership threshold and was included as an affiliate on the Consolidated Expanded MIPL out of an abundance of caution.

As described in the Initial Declaration, the Protocol does not require such an expansion of the Updated Contractual IPL. The Proposed Professionals undertook this analysis out of an abundance of caution, in part to account for the lack of a computerized conflict-checking database.

captured not only connections to the Supplemental Interested Parties, but also any new connections to parties on the Expanded MIPL (as defined in the First Supplemental Declaration) since the filing of the Prior Declarations. The resulting matches not previously included in the Prior Declarations are set forth on <u>Schedule 2</u> hereto. Based upon the results of the questionnaire process described in the Prior Declarations and herein, to the best of my knowledge, subject to the disclosures set forth herein, (i) none of these client connections constitute interests adverse to the Debtors, and (ii) all of these client connections involve matters unrelated to the FOMB, the Debtors, or the PROMESA Proceedings.

### Vendor Connections and Banking Connections

12. The Working Group also reviewed McKinsey's records such that, in sum, all of McKinsey's ordinary-course vendor and banking connections during the Consolidated Look-Back Period were checked against the Consolidated Expanded MIPL, and the resulting matches not previously included in the Prior Declarations are set forth on **Schedule 2** hereto. To the best of my knowledge, as ordinary-course vendor and banking connections and relationships, none of these connections constitute interests adverse to the Debtors.

### Questionnaires

13. In addition, the Working Group sent supplemental surveys relating to the Updated Contractual IPL and the Consolidated Expanded MIPL and connections to parties listed therein, to supplement the results of the surveys described in paragraphs 32–35 of the First Supplemental Declaration, including (i) surveys to professional personnel and directors and officers of McKinsey entities other than MIO inquiring if any such person (x) held debt or other claims against Puerto Rico (other than investments, including through mutual funds and other investment vehicles, that are managed by third parties with delegated investment authority and discretion) at any time after 90 days prior to the date that McKinsey first entered into a services

contract with the FOMB in 2016; (y) had previously been employed by Puerto Rico, or (z) had any connections to any of the judges, mediators, or employees of the office of the United States Trustee, in each case working on the PROMESA Proceedings; (ii) surveys to each director of client services ("DCS") or McKinsey partner most knowledgeable about a particular engagement for each of the engagements for a client on the Supplemental Client List and any engagements for clients on the Consolidated Client List that matched against entities on the Consolidated Expanded IPL (to the extent not previously surveyed), requesting that each recipient indicate, to the best of his or her knowledge, whether the work for his or her client, in any engagement for the client known to the recipient, was in any way related to Puerto Rico<sup>8</sup>; and (iii) surveys to each member of the Engagement Team still employed by McKinsey regarding their connections to entities on the Updated Contractual IPL, as described in paragraph 35 of my First Supplemental Declaration.

14. The results of these supplemental surveys, to the extent not previously disclosed in the Prior Declarations, are reflected in the disclosures set forth herein.

### **MIO Disclosures**

15. To facilitate MIO's connections checking process, on May 8, 2023, counsel to McKinsey provided counsel to MIO the Consolidated Expanded MIPL. Disclosures regarding the connections of MIO and the process used by MIO to generate such disclosures are set forth in the Supplemental StoneTurn Declaration, and will be supplemented as necessary and appropriate during the PROMESA Proceedings.

As indicated in my Prior Declarations, if the answer was yes, the recipient was asked to provide additional information concerning the connection with Puerto Rico for further review by McKinsey and its counsel.

Certain professionals employed by McKinsey may have mortgages, consumer loans, investments, brokerage accounts, or other banking, brokerage, or customer relationships with parties on the Consolidated Expanded MIPL, or with funds sponsored by or affiliated with such parties. Subject to the disclosures set forth herein and in my Prior Declarations, the results

of the surveys described herein and in my Prior Declarations establish that no such professional holds an interest adverse to the Debtors. As described in the Prior Declarations, certain professionals employed by McKinsey may also invest in certain pre-tax (Pension Plan) or after-tax funds, with assets managed by MIO. The third-party managers under contract with MIO to invest those assets, including those disclosed in Schedule 1 to the Supplemental StoneTurn Declaration, may maintain investment funds that invest in Puerto Rico's debt or that of other interested parties. The Declaration of Joshua Dennis, A Partner of StoneTurn Group, LLP, in Connection with the Puerto Rico Recovery Accuracy in Disclosures Act, filed on October 28, 2022 (the "Initial StoneTurn Declaration") contains disclosures about the information that is and is not available to MIO relating to investments made by third-party managers, and the information barriers between MIO and McKinsey designed to restrict the follow of information between the two. See Initial StoneTurn Decl. ¶¶ 13–19.

- 66. As described in more detail in the Prior Declarations, certain McKinsey consulting affiliates, from time to time, have received non-cash compensation (such as equity securities or equity-like interests in a client) pursuant to alternative fee arrangements or other similar engagements. To the best of my knowledge, McKinsey has no such connection with any entity on the Updated Contractual IPL, but I nonetheless note that McKinsey has or may have such connections with the following entity on the Consolidated Expanded MIPL not previously included in the Prior Declarations: Global Multi-Sector Credit Portfolio (Lux).<sup>12</sup>
- 67. As previously disclosed to the FOMB, in the ordinary course of business, McKinsey at times is engaged to serve as a subcontractor, or engages another service provider as a subcontractor, on a larger service contract for a client. For completeness, to the best of my

McKinsey's connection is to Tenneco, which may be affiliated with Global Multi-Sector Credit Portfolio (Lux).

knowledge, (i) the ultimate end clients for services during the Consolidated Look-Back Period are set forth in the Prior Declarations or on <u>Schedule 2</u> attached hereto and (ii) McKinsey had subcontracting relationships during the Supplemental Look-Back Period with the following entities on the Consolidated Expanded MIPL: AM, EDP, CACI, CrossBoundary, LLC, Glencore, Guidehouse, KPMG, Sprint, and Steel Point.

- 68. McKinsey employees may have been formerly employed by, or otherwise affiliated or have social or professional relationships with, parties that may be listed on the Updated Contractual IPL or the Consolidated Expanded MIPL; other financial or professional services firms that serve or served such parties; or their owners, directors, or employees. Similarly, former McKinsey employees may have been or may be currently employed by, or otherwise affiliated or have social or professional relationships with, parties that may be listed on the Updated Contractual IPL or the Consolidated Expanded MIPL; other financial or professional services firms that serve or served such parties; or their owners, directors, or employees.
- 69. In the ordinary course of providing services to the FOMB pursuant to the Contracts, members of the Engagement Team have developed social and professional relationships with the FOMB members and their current and former staff.
- 70. As provided in more detail in the Prior Declarations, in summer 2022, as part of its ongoing contract review processes, the FOMB began sending emails to certain of its professionals, including McKinsey, seeking information about each such professional's connections to certain potential contract counterparties, counterparty principals and other counterparty principal stakeholders in advance of potentially engaging such professionals to assist with contract reviews. In each case, McKinsey has been checking the names provided by

the FOMB against McKinsey's client list since November 27, 2014 and indicating to the FOMB whether any such names are or were McKinsey clients during that time period. To the extent these counterparties, principals and other stakeholders were already on the Pre-PRRADA Contractual IPL, MIPL, or Updated Contractual IPL, they were already included in the connection-checking processes described herein. Out of an abundance of caution and in order to capture connections to the extent these counterparties, principals, and other stakeholders were not already on the Updated Contractual IPL, in the interest of transparency, McKinsey discloses here that as part of this separate connections checking exercise, McKinsey has disclosed client connections to FOMB to the following entities, their affiliates, and/or principals associated with such entities: Custom Homes, Inc., Lemartec PR Corporation, Thompson Construction Group, Inc., CTS, Inc., Yates-Bird, LLC, Transamerican Power Products, NUCUR, EDSCO, Quanta Services Solutions PR, LLC, PowerSchool Group, LLC, VEPF VI FAF, LP, Mechanical Dynamics Analysis LLC, CH2 Hill Puerto Rico, Inc., Pearson Pem PR, Inc., UPS, Caribe Techo, PV Systems and Water Storage, Innovative Emergency CRL, Standard Refrigeration, Management, Inc., Arcadis Caribe, PSC, Sunrun PR Operations, LLC, Microsoft Caribbean, Inc., Stantec, Inc., National Building Maintenance Corp., Deloitte & Touche LLP, Alvarez & Marsal Public Sector Services, LLC, Workday, Collaborative Solutions, Guayama Solar Energy, LLC, CIRO Two Salinas, LLC, Renewable Energy Systems, Evertec Group, LLC, Fidelity National Information Systems, CSA Architects, Merrick & Company, CGI Technologies and Solutions Inc., and Clean Flexible Energy, LLC.

71. Out of an abundance of caution, and in accordance with the Protocol, I note the following connections to the parties listed on the Consolidated Expanded MIPL that were disclosed in the results of the surveys describe herein or otherwise are known to me. To the best

- d. David Owens, a former senior advisor to McKinsey not on the Engagement Team, is a former director of Xcel Energy.
- 72. I am not related or connected to and, to the best of my knowledge based on the surveys described herein, no other professional of McKinsey is related or connected to, any judges, mediators, or employees of the office of the United States Trustee, in each case working on the PROMESA Proceedings, except in each case as described in the Prior Declarations.
- 73. Accordingly, except as otherwise set forth herein, insofar as I have been able to determine after reasonable inquiry and to the best of my knowledge, I believe that neither the Proposed Professionals, nor their affiliates, nor any member of the Engagement Team holds or

represents any interest adverse to the Debtors or their estates, and the Proposed Professionals constitute "disinterested persons" as that term is defined in section 101(14) of the Bankruptcy Code, as modified by Bankruptcy Code section 1107(b), in that each of the Proposed Professionals and each member of the Engagement Team:

- a. is not a creditor, equity security holder, or insider of the Debtors;
- b. was not, within two years before the date of filing of the Debtors' petitions, a director, officer, or employee of the Debtors; and
- c. does not have an interest materially adverse to the interest of the Debtors' estates or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason.
- 74. The Proposed Professionals will endeavor to supplement this Declaration in the event they become aware of any connection or other information that requires disclosure.

of MIO Partners, Inc. ("<u>MIO</u>"), which is a wholly owned indirect subsidiary of McKinsey & Company, Inc. ("<u>McKinsey & Co.</u>").<sup>2</sup> MIO is registered with the SEC as an investment adviser. StoneTurn has been engaged by MIO to assist in the preparation of the schedule of MIO connections to interested parties in the proceedings under Title III of the *Puerto Rico Oversight*, *Management*, *and Economic Stability Act* ("PROMESA Proceedings"), as described below.

- 2. As previously explained in my initial declaration filed on October 28, 2022 (Docket No. 22756) ("2022 Dennis Declaration"), MIO manages assets for (i) pension plans sponsored by McKinsey & Co. ("Pension Plans") in which roughly 30,000 current and former McKinsey and MIO employees and their respective family members, beneficiaries, and assignees participate and (ii) privately offered investment vehicles ("MIO Funds") in which McKinsey partners, former partners, and their immediate family members can invest. Substantially all the assets under management at MIO are owned for the benefit (direct or indirect) of current and former McKinsey employees and their immediate family members, beneficiaries, and assignees.
- 3. I have been employed by StoneTurn since 2004, and I am a partner there. As part of my role, I help lead StoneTurn's Data Science and Analytics practice, which assists companies and counsel to companies with matters involving complex data analysis.
- 4. In the course of StoneTurn's engagement with MIO, I have become personally knowledgeable about the business operations of MIO that are described below, and I was involved in the process of preparing the schedule of MIO connections that is attached hereto as

As used in this Declaration, the term "McKinsey" includes any McKinsey entity that provides consulting (including bankruptcy advisory) services. The term "McKinsey" does not include MIO and its affiliated investment and advisory services related entities or their employees because they do not provide consulting or bankruptcy advisory services. The only common parent company of McKinsey, on the one hand, and MIO, on the other, is McKinsey & Co.

<u>Schedule 1</u>. Except as otherwise noted, the statements set forth herein are based on knowledge I have from my employment position and diligence undertaken by me or professionals reporting to me, including through discussions with and representations from MIO personnel, and review of written documents. If called and sworn as a witness, I would testify competently to the statements set forth herein.

- 5. MIO utilizes a system of third-party-managed investments and information barriers in order to maintain operational separation from McKinsey. For additional information about MIO and the operational separation between MIO and McKinsey, please refer to the 2022 Dennis Declaration.
- 6. Although MIO and its employees are not a part of the McKinsey team serving the Financial Oversight and Management Board for Puerto Rico, consistent with the protocol that McKinsey uses for its disclosures and McKinsey's approach of reviewing connections of all of its affiliates, MIO has undertaken a supplemental search for connections to interested parties in the PROMESA Proceedings.
- 7. Specifically, on May 8, 2023, MIO's counsel received an updated Expanded Material Interested Parties List as of March 31, 2023 from counsel for McKinsey. For parties appearing on that Expanded Material Interested Parties List that had not appeared on any previous Material Interested Parties List or Expanded Material Interested Parties List received by MIO in connection with the PROMESA Proceedings, MIO compared those parties against a list, compiled to the best of MIO's knowledge, of MIO's third-party investment managers, direct investments, financial counterparties, and service providers (such as vendors) (collectively, "Connections") for the full look-back period from November 27, 2014 through March 31, 2023. For parties that had previously been included in any previous Material Interested Parties List or

Expanded Material Interested Parties List received by MIO in connection with the PROMESA Proceedings, MIO compared those parties against a list, compiled to the best of MIO's knowledge, of MIO's Connections for the period from July 1, 2022 through March 31, 2023.<sup>3</sup> Counsel to MIO delivered the results of this comparison to counsel for McKinsey, and the resulting matches are set forth in **Schedule 1** attached hereto.<sup>4</sup>

[Remainder of page left intentionally blank]

.

As indicated in the 2022 Dennis Declaration (*see* n.6), the list of Connections used by MIO for its comparison to prepare Schedule 1(b) attached to the 2022 Dennis Declaration included all of MIO's Connections from November 27, 2014, through June 30, 2022.

The "Connection Type" column in Schedule 1 identifies each MIO connection as a Third-Party Manager/Managed Fund, Direct Investment, Counterparty, or Vendor. Third-Party Manager/Managed Funds are third-party managers with which MIO has contracted, or third-party funds managed by a third-party manager. Direct Investments reflect security-level investments made by MIO's professional investment staff, exercising their own investment discretion, pursuant to the MIO Direct Trading Policy, including debt or equity indices and exchange-traded funds, bonds issued by sovereigns, municipalities, or government agencies, credit default swaps on financial counterparties of MIO-managed funds, the sale of in-kind distributions of securities received from third-party funds, or the sale of securities in liquidated separately-managed accounts. MIO-Managed Funds are MIO-controlled investment vehicles that hold assets for the Pension Plans and MIO Funds. Counterparties are financial counterparties of MIO-managed funds. Vendors are service providers retained by MIO.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.
